

ABOUT DR DAVID SCOTT

Dr David Scott is an Associate Professor of sport psychology in the Faculty of Kinesiology at the University of New Brunswick in Fredericton, New Brunswick. He completed a B.A.(Hons.) and a P.G.C. E. (teaching degree) at the University of Ulster, Belfast, Northern Ireland, and an MA in Sport Psychology, an MA in Psychology, and a Ph.D. in Sport and Exercise Psychology from the University of Victoria, in Victoria, British Columbia. He teaches and does research in the area of sport and exercise and psychology. Maclean's magazine named him one of the most popular professors at UNB and the Globe and Mail recently named him as one of the outstanding professors teaching in Canada.

Dr Scott has been a consultant with a large number of government departments and private companies, in addition to being a sport psychology consultant with a number of teams and organizations including the Montreal Canadiens, Vancouver Canucks, Philadelphia Flyers and Florida Panthers of the National Hockey League, the Canadian Men's National Gymnastics Team, Bowls Canada, the Canadian Junior National Archery team, Swim Canada, and the West Indies Cricket Team. He is currently a consultant with the Montreal Canadiens of the NHL, the St. John's Ice Caps of the American Hockey League, and the Saint John Sea Dogs of the QMJHL.
